

## **Student Feedback 2016-17**

Student feedback is filled by the UG students on the prescribed Performa. The feedback questionnaire is divided into two parts. Part 1 about campus facilities and Part 2 related to Teaching in the college. Feedback is obtained on the various aspects such as infrastructure, cleanliness of the campus, security arrangements, library, internet, canteen, transportation, sports, career guidance counseling, and responsiveness towards students.

The points are calculated according to the grades given by the students in various criteria. The average is calculated and the strengths and weakness mentioned by the students are:

1. Improvement of library facilities, i.e., reference books and e-books.
2. Cleanliness of the college campus.
3. Washrooms cleanliness.
4. Canteen, transport, wifi, and medical facilities.
5. Start of PG classes in the college campus.

The different areas where the improvement is required are discussed with committees and the proposal given by the different committees are discussed with Principal for necessary action. Strength of the college students are also taken into consideration.
