Actions Taken: 1) Various important days of national importance were celebrated as decided in previous meetings.

2) Students were made aware about different scholarship schemes available to them by conducting awareness campaign through notices on the notice boards and verbal communication in the classes by the teachers.

3) Special Cleanliness drives were carried out by the NSS, NCC, Red Ribbon etc units of the college.

Fresh proposals: -

1) The cleanliness drive would be continued in the coming time also so as to make it a ~~reg~~ routine task rather than a one time ritual.

2) Awareness among students about the different scholarship schemes still seems less than satisfactory. This will be improved further.
